

Disabled Sticker For Bollards

B-DS

Description

Reserve and secure parking spaces for people with a disability with these Disabled Parking Stickers for Bollards. Designed from high quality materials with super adhesive backing, this sticker is made to last and resist weather damage.

It features an instantly recognisable symbol, making it easy to identify which parking spaces are reserved for your customers with a disability. Simply smooth the sticker onto your bollard to ensure your customers with a disability have safe, secure and easily accessible parking available.
