

In Ground Bollard 114mm - Yellow

B114-IG-Y-RC

Description

Enforcers Bollard 114mm In Ground Yellow is your solution to ensuring safety around areas shared by vehicles and pedestrians like shopping centres, car parks, warehouses and worksites.

Australian designed and made from environmentally friendly 100% recyclable steel pipe, this durable bollard also features hot dipped galvanised steel and an eye-catching safety yellow powder coated finish. The yellow finish and class 1 red reflective band ensures high visibility making your car parks, entranceways and worksites safer.

Features

- Manufactured from hot dipped galvanised steel pipe.
- Finished in powder coated safety yellow.
- Removable strong metal bollard dome cap.
- Class 1 red reflective tape.
