

Bollard Base Only 114mm Surface Mounted Removable - Galvanised

B114-SM-REM-BASE

Description

Ensure workplace safety with Enforcers Bollard Base Only 114mm Surface Mounted Removable Galvanised. Incorrectly stored bollards can create poorly used space as well as increase trip hazards and accidents. Our bollard bases can be used in warehouses, apartment buildings, storage rooms and other facilities to efficiently store and organise unused bollards safely.

Made from 100% recyclable galvanised steel this bollard base can be used indoors and outdoors. It can withstand heavy use due to the robust construction and materials used.

Features

- Manufactured from reliable heavy duty steel pipe.
- It can withstand heavy use due to the robust construction and materials used.
- Designed in Australia for Australian Conditions.
