

Surface Mounted Bollard Disabled Parking 140mm - Blue

B140-DP-SM-BLUE

Description

Ensure accessibility and safety with Enforcers Bollard Disabled Parking 140mm Surface Mounted Blue. This robust bollard is used to ensure car park accessibility for people with disabilities, ensuring adequate space for mobility equipment. It can be used in shopping centres, public and private car parks, and facilities to create safe boundaries.

Made from hot-dipped galvanised steel pipe, our 140mm bollard is designed to be both robust and highly visible. The powder coated disability blue finish and the class 1 reflective red band ensures the bollard is easily recognised in any weather condition.

Features

- Manufactured from heavy duty Steel Pipe.
- Lightweight easy to install by one person.
- Designed in Austraila for Australian conditions.
