

Bollard Disabled Parking 140mm Surface Mounted Yellow

B140-DP-SM-Y

Description

Enforcer Disabled Parking Bollard 140mm Surface Mounted Yellow are used in accessible carpark areas or shared zones. They can be installed next to disabled carpark areas to secure enough space and prevent illegal parking that obstructs disabled parking. Perfect for shopping centres, health, retail and other areas where safe accessibility is required.

Our bollards are hot dipped in galvanised steel for reliable rust protection, they are then powder coated in safety yellow. They are fitted with a Class 1 reflective red band to maximise visibility.

Features

- Manufactured from heavy duty Steel Pipe.
- Suited to use in concrete for disabled parking.
- Designed in Austraila for Australian conditions.
