

Bollard 140mm Hanger

B140-HANGER

Description

Enforcer Bollard 140mm Double Hanger is made from durable TM55 steel. It is your solution to storing bollards neatly and reclaiming floor space. The wall mounted design ensures your bollards are kept safely off the ground, minimising trip hazards and reducing clutter in your storage room or worksite.

Made from durable TM55 steel plate and powder coated in black, this bollard hanger is designed to last. Designed to be used with 140mm bollards to safely store away when not in use. The hanger can safely carry 2 bollards.

Features

- Manufactured from TM55 steel plate.
- Convenient storage for bollards when not in use.
- Hold 140mm bollard.
- Light weight easy to install by one person.
