

Bollard 140mm In Ground Bevelled Top - Stainless Steel 304

B140-IG-BT-SS304

Description

For sites that need high-end asset protection, Enforcer Bollard 140mm In Ground Bevelled Top Stainless Steel is strong and durable as well as polished and architecturally aesthetic.

Constructed from silver grade 304 stainless-steel, it also features an attractive bevelled cap. All finished in a high-end brushed stainless-steel finish, this bollard suits luxury retail, offices, hotels and other sites where the standard conventional safety bollard won't meet expectations. The stainless-steel construction also suits coastal areas that experience more harsh weather and salt corrosion.

Features

- Manufactured from heavy duty steel pipe.
- Silver brushed grade 304 stainless steel.
- Withstands from heavy cars,trucks,and forklifts.
- Designed in Austraila for Australian conditions.
