

Bollard 140mm In Ground Removable Base Only

B140-IG-REM-BASE

Description

Enforcer Bollard 140mm In Ground Removable Base Only ensures the safe storage of your bollards. Enforcer Bollard Bases can be installed in your storage room or facility to organise your bollards in a way that creates a safe workplace. The in-ground bollard sleeve can also close flush against the concrete flooring when not in use.

Manufactured from reliable heavy duty steel pipe, Enforcer bollard bases are hot dipped galvanised steel to prevent corrosion and rust. Perfect for both indoor and outdoor use, the base plate is welded for strength.

Features

- Manufactured from reliable heavy duty steel.
- Withstands from heavy cars, trucks, and forklifts.
- Designed in Australia for Australian conditions.
