

Bollard Disabled Parking 165mm In Ground Yellow

B165-DP-IG-Y

Description

The In Ground Bollard 165mm In Ground Yellow Disabled are an essential safety tool perfect for use next to disabled parking spaces to ensure vehicles leave adequate surrounding space for access and mobility.

The steel pipe bollard is hot dipped galvanised, and powder coated in safety yellow for durability and rust prevention. A class 1 red reflective band ensures your bollard will be seen in all conditions, ensuring safety and protection around disabled parking and other areas.

Features

- Manufactured from hot dipped galvanised steel pipe.
- Finished in powder coated safety yellow.
- Withstands from heavy cars, trucks and forklifts.
- Strong metal bollard dome cap.
- Class 1 red reflective tape.
