

Bollard 220mm In Ground - Yellow

B220-IG-Y

Description

The Bollard 220mm In Ground Yellow are a highly visible and heavy-duty bollard for ensuring safe traffic control around heavy cars, trucks and machinery.

The hot dipped galvanised steel form is powder coated in safety yellow and finished with a class 1 red reflective band. All these safety features along with their heavy duty construction mean these bollards are designed to perform and last on your worksite, warehouse or facility.

Features

- Manufactured from hot dipped galvanised steel pipe.
- Finished in powder coated safety yellow.
- Withstands from heavy cars, trucks and forklifts.
- Strong metal bollard dome cap.
- Class 1 red reflective tape.
