

In Ground Bollard 63mm Yellow

B63-IG-Y

Description

Enforcer In Ground Bollard 63mm Yellow are designed to meet Australian safety standards and requirements. Crafted from steel pipe and hot dipped galvanised, our bollards are effective, rust resistant and 100% recyclable.

Made from durable steel pipe, hot dipped galvanised for reliable rust protection and powder coated in an eye-catching safety yellow, our bollards are finally fitted with a Class 1 reflective red band to maximise visibility even further.

Features

- Manufactured from hot dipped galvanised steel pipe.
- Finished in powder coated safety yellow.
- Strong metal bollard dome cap.
- Class 1 red reflective tape.
