

Bollard Surface Mounted 76mm Galvanised

B76-SM-G

Description

Enforcer Surface Mounted Bollard 76mm Hot Dipped Galvanised is manufactured from durable steel pipe. Installation is easy, and once secured, our galvanised bollard requires minimal maintenance. Crafted from hot-dipped galvanised steel, our quality bollards are a vital tool to provide protection and security.

This bollard is designed to perform in high traffic areas. The class 1 red reflective band ensures visibility is maintained even in less-than-optimal conditions.

Features

- Light weight easy to install by one person.
- Manufactured from heavy duty steel pipe.
- Strong metal bollard dome cap.
