

Bollard Surface Mounted 76mm Yellow

B76-SM-Y

Description

Enforcer Surface Mounted Bollard 76mm in Yellow is made from hot dipped galvanised steel pipe and finished in powder coated safety yellow with a Class 1 red luminous band ensuring top visibility. Made for high traffic areas, the safety yellow colour and added luminous red band further increase visibility.

It can be used to slow down and regulate car park traffic, create safe boundaries around assets like solar batteries, EV chargers, protect buildings, entrances and other assets.

Features

- Manufactured from hot dipped galvanised steel pipe.
- Finished in powder coated safety yellow.
- Strong metal bollard dome cap.
- Class 1 red reflective tape.
