

Bollard Removable KeyLock 90mm In Ground - Black

B90-IG-REM-KL-B

Description

Enforcers Bollard Removable Key Lock 90mm In Ground Black allows you to conveniently create and remove boundaries as needed. Perfect for creating a perimeter around an asset that may need to be moved later, or in front of a factory driveway to prevent unauthorised entry. Simply install by sliding the bollard and locking into the sleeve with the keys provided. Removal is as easy as unlocking and using the handled top cap to relocate your bollard.

Made from recyclable steel pipe with a premium powder coated black finish to protect against corrosion, this bollard also features an eye-catching class 1 white luminous band that ensures your bollard is seen. The design and colour create a sleek and professional safety solution.
