

## Bollard 90mm In-Ground Removable Keylock Stainless Steel 316

### B90-IG-REM-KL-SS316

#### Description

Sleek and versatile, Enforcers Bollard 90mm In Ground Removable Keylock Stainless Steel 316 is a complete safety solution that easily adjusts to suit your different needs.

Made from silver grade 316 stainless-steel with a high-end brushed stainless-steel finish, it is a premium bollard suitable for retail, museums, schools and other locations where a refined look and feel is required. The stainless-steel construction also makes them a practical bollard solution around coastal areas where weather and salt may corrode other materials.

#### Features

- Manufactured from heavy duty steel pipe.
- Withstands from heavy cars, trucks, and forklifts.
- Comes with a sleeve which can simply lock in, Two(2) keys included (keyed alike).
