

Bollard Removable KeyLock 90mm In Ground Yellow

B90-IG-REM-KL-Y

Description

When you need security and flexibility, Enforcers Bollard Removable Key Lock 90mm In Ground Yellow can be easily installed and removed when required. Once installed, the bollard is secured by locking the bollard to the sleeve. It can then be conveniently removed by unlocking with one of the provided keys, and the useful handle bollard top. Perfect for those wanting to stop illegal carparking with the option to remove the bollard.

Made from recyclable steel pipe and hot dipped galvanised to withstand weather and rust, this bollard also features an eye-catching powder coated safety yellow finish and class 1 red reflective band, ensuring your bollard will be seen.
