

Bollard 90mm In-Ground Removable Padlock Stainless Steel 316

B90-IG-REM-PL-SS316

Description

Enforcers Removable 90 mm In Ground Stainless Steel 316 with mounting base is a versatile and reliable bollard that offers flexibility whilst achieving a high-end look. Enforcers bollards are made from environmentally friendly and recyclable steel pipe. This exceptional model also features silver brushed marine grade 316 stainless steel, with polished finish. The red luminous band adds another level safety and ensures the bollard can be seen in lowlight. This bollard is perfect for luxury retail, carparks and coastal areas that may need extra weather resistance.

Features

- Manufactured from heavy duty steel pipe.
- Silver brushed marine grade 316 stainless steel.
- Comes with sleeve which you can simply lock with a padlock.
