

Yellow In-Ground 90mm Bollard

B90-IG-Y

Description

Enforcers Bollard 90mm In Ground Yellow combines strength, visibility and easy-install. This bollard solves safety problems around entranceways, carparks, warehouses and other sites where trolleys, cars, trucks and forklifts operate.

Made from environmentally friendly 100% recyclable steel pipe, this durable bollard also features hot dipped galvanised steel and an eye-catching safety yellow powder coated finish. Suitable in any weather, this bollard was designed to withstand Australian conditions and resist rust. The class 1 red reflective band helps to identify the bollard even in lowlight conditions.

Features

- Manufactured from heavy duty steel pipe.
- Light weight easy to install by one person.
- Designed in Australia for Australian conditions.
- Strong metal Bollard Dome Cap.
