## SURFACE MOUNTED BOLLARD REMOVABLE 90MM PADLOCK - YELLOW

- Manufactured from heavy-duty steel pipe
- Hot dipped galvanised steel for rust prevention
- Lightweight easy to install by one person
- Designed in Australia for Australian conditions
- Comes with a shoe which is locked to bollard with padlock
- Installation service is available

Enforcer steel bollards are designed in Australia for Australian conditions, environmentally friendly manufactured from steel pipe, and 100% recyclable.

The bollards are hot-dipped galvanised for rust prevention, finished powder coated in safety yellow with Class 1 red reflective band. Designed to be strong and durable, with a strong metal bollard dome cap.

Removable padlock bollards are easy to use and very convenient, use them when you need to protect your assets or safe your area, and then remove them with the handle on the cap to clear access. They come with a shoe which you can simply lock with a padlock at any time.

Suited to use in Concrete to withstand from cars, trucks, and forklifts. for all warehouses, car parks, driveways, even machinery.
