

Bollard Removable 90mm Padlock Surface Mount - Yellow

B90-SM-PL-REM-Y

Description

Enforcers Surface Mounted Bollard Removable 90mm Padlock Yellow suits a variety of safety applications. The versatile design allows you to unlock and remove the bollard from the surface mounted shoe with ease. Perfect for changing environments and projects requiring flexibility.

Made from hot-dipped galvanised steel pipe, the 90mm bollard has been powder coated in a highly visible safety yellow to ensure visibility and awareness. The high-quality finish and construction materials ensure it resists corrosion and weather damage, while the class 1 reflective red band maximises visibility in low light and poor weather. The cap has a handle for easy removal.

Features

- Comes with a shoe which is locked to bollard with padlock.
- Light weight easy to install by one person.
- Manufactured from heavy duty steel pipe.
