

Bollard Base Only 90mm Surface Mounted Removable - Galvanised

B90-SM-REM-BASE

Description

Enforcer Bollard Base Only 90mm Surface Mounted Removable Galvanised ensures your unused bollards have a safe place to stand when not in use. Poorly stored bollards create trip hazards and accidents. Enforcer Bollard Bases can be installed in your storage room or facility to organise your bollards and maintain an orderly workplace.

Manufactured from reliable heavy duty steel pipe, Enforcer bollard bases are hot dipped galvanised steel to prevent corrosion and rust. Perfect for both indoor and outdoor use, the base plate is welded for strength.

Features

- Manufactured from heavy duty Steel pipe.
- Withstands from heavy cars, trucks, and forklifts.
- Designed in Australia for Australian conditions.
