

90mm Surface Mounted Keylock Shoe Base Only - White

B90-SM-SHOE-KL-W

Description

Enforcers Bollard 90mm Surface Mounted Keylock Shoe Base Only White is a high-quality shoe to replace lost or damaged shoe bases.

Made from durable galvanised steel that has been powder coated in a bright white coating, this shoe base will resist weathering and corrosion. The fresh white colour enhances visibility and suits a range of settings like retail centres and schools. Designed to be used with the Removable 90mm Surface Mounted Keyed Alike White Bollard.

Features

- Powder coated white finish.
- Suited for bollard removable 90mm surface mount-keyed alike (White)
- Designed in Australia for Australian conditions.
