

Bollard Flexible 140mm Surface Mounted - Yellow

BF140-SM-Yellow

Description

Enforcers Bollard Flexible 140mm Surface Mounted Yellow is perfect for high traffic environments where boundaries need to be set without the risk of costly damage to vehicles. The innovative design allows the bollard to flex and bounce back after impact occurs, providing a warning to drivers without causing damage. Perfect for managing traffic flow and safeguarding assets in warehouses, loading docks and other facilities.

Made from heavy-duty steel pipe and finished in safety yellow powder coating, this bollard is strong and durable as well as highly visible.

Features

- Flexible, simply bounces back after impact and leaves no damage to the vehicle.
- Withstands from heavy cars, trucks, and forklifts.
- Strong metal bollard dome cap.
