

Bollard Flexible 90mm Surface Mounted - Yellow

BF90-SM-Yellow

Description

Enforcers Bollard Flexible 90mm Surface Mounted Yellow is perfect for directing traffic without causing damage to vehicles if knocks occur. Perfect for creating boundaries on busy worksites or around construction zones.

The Bollard Flexible 90mm Surface Mounted Yellow is designed to guide traffic and return to an upright position if an impact occurs. The safety yellow powder coating and red luminous band ensures your bollard will be seen. The fully welded base plate ensures your bollard is safe and secure once attached to a concrete surface.

Features

- Flexible, simply bounces back after impact and leaves no damage to the vehicle.
- Manufactured from heavy-duty Steel Pipe.
- Withstands from heavy cars, trucks, and forklifts.
- Strong metal bollard dome cap.
