

Bollard Flexible Orange

BFlex750-O

Description

Enforcer’s Bollard Flexible Orange 750 mm - designed to deliver visibility, flexibility and traffic control in high-movement environments. Manufactured from premium TPU (thermoplastic polyurethane) and finished in high-visibility orange with white reflective bands, this flexible bollard is made for Australian car parks, warehouses, and public-space traffic zones where impact safety and durability are essential.

Features

- Made from high-grade polyurethane.
- Bright orange finish with white reflective bands ensures visibility in all light conditions.
- Weather-resistant and UV-stabilised material resists cracking, fading and corrosion.
