

# Bollard Premium Heavy Duty Removable KeyLock 114mm In-Ground Keyed Unique Black

## BHD114-IG-KL-B

### Description

The Enforcer 114mm Premium Heavy-Duty Removable Keylock Bollard is a high-security access solution for commercial, industrial, and high-traffic areas, offering removable flexibility when access is needed. Featuring an in-ground sleeve system, this bollard can be fully removed, leaving a flush, capped surface—ideal for dual-use spaces like car parks, warehouses, and restricted entry points. This bollard is impact-resistant and built to last. The hot-dip galvanised (HDG) steel construction is powder-coated black with a 20mm white reflective band, providing corrosion resistance and superior durability. The premium Keylock system with a unique-keyed locking mechanism ensures added security against tampering and unauthorized removal.

### Features

- Comply with Australian standards (AS/NZS 2890.1).
- In-ground sleeve system allows for quick removal when access is needed.
- Heavy-duty, corrosion-resistant construction.
- Premium keylock security with unique keying.
- Hot-dip galvanised & powder-coated black finish.
