

Bollard Heavy-Duty 114mm Removable In-Ground Double Lock Shared Zone Yellow

BHD114-IG-REM-DL-Y

Description

The Bollard Heavy-Duty 114 mm Removable In-Ground Double-Lock Shared Zone Yellow is engineered to deliver top-tier access control, ram-raid protection, asset security, and pedestrian safety. Designed for shared-zone usage where more than one authority or user needs controlled access, it features two independent locks so either party can remove the bollard.

Built for industrial, commercial, and public applications, this bollard offers strength, visibility, and flexibility on site.

Features

- Equipped with two dissimilar locking mechanisms.
- Manufactured from hot-dipped galvanised for corrosion resistance.
- Powder-coated in safety yellow ensures high visibility.
