

Bollard Heavy-Duty 114mm Removable In-Ground Single Lock Shared Zone Yellow

BHD114-IG-REM-SL-Y

Description

The Heavy-Duty 114 mm Removable In-Ground Single Lock Shared Zone Bollard from Enforcer Group is designed to ensure access control, ram-raid defence, and pedestrian safety. This bollard provides robust site security while maintaining flexibility for shared vehicle-pedestrian areas such as car parks, shared zones, entrances, and public spaces.

Manufactured from high-grade, thick-wall steel and hot-dipped galvanised for corrosion resistance. Powder-coated in safety yellow for visibility and extra protection against weathering.

Features

- Equipped with a single-lock removable mechanism.
- Manufactured from hot-dipped galvanised for corrosion resistance.
- Powder-coated in safety yellow ensures high visibility.
