## BLACK KERB RAMP END - 100MM HIGH

- Made of recycled rubber
- Anti-slip design that absorb shock
- End cap for kerb ramp 100mm High
- Easy to maintain and is portable

Enforcer group's kerb end is made from 100% recycled rubber. It's eco-friendly and very durable. It can be used along with the 100mm high kerb ramp.

This kerb ramp end cap is specifically crafted to be the ideal complement to your kerb ramp. With its 100mm height, it seamlessly fits over the end of the ramp, providing a smooth transition and reducing the risk of tripping or wheel damage.
