

Bollard Premium Removable PadLock 140mm In Ground - Stainless Steel 304

BP140-IG-REM-PL-SS

Description

Enforcers Bollard Premium Removable Padlock 140mm In Ground Stainless Steel 304 is an exciting new product that blends practical design and aesthetic appeal. Conventional removable bollards come with a handled cap to help with relocating the bollard, making them inappropriate for sites requiring architectural equipment.

This innovative bollard features a retractable handle that can be used when required and then folded down flat to maintain a high-end appearance.

Features

- Manufactured from heavy duty steel pipe.
- Silver brushed grade 304 stainless steel.
- Luxury high-class architectural look.
