

Bollard Premium Removable PadLock 140mm In Ground - Yellow

BP140-IG-REM-PL-Y

Description

Enforcers Bollard Premium Removable Padlock140mm In Ground Yellow is an innovative product that solves a common problem. Removable bollards typically come with a fixed handled cap which detracts from the professional appearance of the bollard. To solve this problem, this newly designed bollard features a retractable handle. Users can now move the bollard using the handle, and tuck it away neatly when the bollard is secured in the sleeve, maintaining a sleek look.

Made from recyclable steel pipe, with a powder coated finish in safety yellow, this bollard is a premium safety tool used to create boundaries while allowing pedestrian access.

Features

- Heavy-duty construction with premium finish in a powder coated safety yellow.
- Removable design with retractable handle.
- Durable in-ground base with protective cap.
