

Bollard Protection Cover - Fits 90mm

BPC-90-Y

Description

Enforcers Bollard Protection Cover 90mm is your solution to expensive damage from minor impacts, vandalism and scratched paint. The cover provides an extra layer of security to both vehicles and your bollard.

Enforcers Bollard Covers provide a layer of soft protection for minor vehicle or machinery impacts, where a direct impact with a steel bollard would leave more expensive damage. Perfect for use in busy carparks or entranceways where you want to warn drivers without causing expensive damage.

Features

- Suited to fit 90mm bollard.
- Light weight easy to carry.
- Designed in Australia for Australian Conditions.
