

Bike Rack Galvanised Black Coat Hanger - Large

BR-CH-GBL

Description

Enforcer Bike Rack Galvanised Black Coat Hanger Large ensures your business or facility is bicycle friendly and convenient. This bike rack safely parks 7 to 10 bicycles and ensures your customers or staff can secure their bikes when they need to. These bike racks can be used around retail centres, offices, schools, hospitals and public spaces.

Made from galvanised steel and powder coated in a polished black, this bicycle rail is functional and refined. The construction ensure it will last outdoors as it resists rust and corrosion.

Features

- Made from galvanised steel and powder coated in a polished black.
- The construction ensure it will last outdoors as it resists rust and corrosion.
- Designed in Australia for Australian conditions.
- Can holds upto 7-10 bikes.
