

Bike Rack Galvanised Black Coat Hanger - Medium

BR-CH-GBM

Description

Enforcer Surface Mounted Bike Galvanised Black Coat Hanger Medium is a solid bike rack that also makes efficient use of floorspace, making it the perfect bike parking solution in small areas.

Crafted from heavy-duty galvanised steel with a sleek powder-coated black finish, our surface mounted bike rack safely stores up to seven bikes securely. Designed specifically for Australian conditions, these racks are perfect for indoor or outdoor use and can be installed in carparks, offices, warehouses, storage rooms, around schools and community facilities, retail areas and any other area where cyclists may require convenient parking.

Features

- Manufactured from heavy-duty hot-dipped galvanised steel with a sleek powder-coated black finish.
- Making it the perfect bike parking solution in small areas.
- Can holds upto 4-7 bikes.
