

Bike Rack Galvanised Coat Hanger - Medium

BR-CH-GM

Description

Manufactured from heavy-duty hot-dipped galvanised steel pipe. Designed in Australia for Australian conditions, for indoor or outdoor use.

Enforcer Group's bike racks are built to last. They are weatherproof, safe, and secure. The absence of designated bike parking can create issues that may discourage cyclists from visiting in the future. Offering a safe, secure, accessible, and easy-to-use bike parking solution to cyclists will ensure a bike-friendly environment. More parking space for bikes - more customers coming in.

Features

- Manufactured from heavy-duty hot-dipped galvanised steel pipe.
- Designed in Australia for Australian conditions.
- Can holds upto 4-7 bikes.
