

Bike Rack Galvanised Coat Hanger - Small

BR-CH-GS

Description

Enforcers Bike Rack Galvanised Coat Hanger Small is made from hot-dipped galvanised steel pipe. It offers a safe, accessible and secure bike parking solution for up to four bikes at a time. Bike parking creates a more bike-friendly environment and ensures greater appeal of your facility or business to cyclists. Our small bike rack is perfect for indoor or outdoor car parks, residential apartments, recreation centres, workplaces and even retail shopping centres.

Features

- Made from hot-dipped galvanised steel pipe.
- Bike rack can be used outdoors in any weather without compromising performance or longevity.
- Can holds upto 4 bikes.
