## BIKE RACK STAINLESS STEEL IN-GROUND HOOP 316 GRADE-CITY OF MELBOURNE DESIGN

- Manufactured from heavy duty steel pipe
- Silver brushed grade 316 stainless steel
- Suitable for public and private areas
- Designed in Australia for Australian conditions
- Weatherproof, safe and secure.
- Installation service is available

The Bike Rack Stainless Steel In Ground Hoop 316 Grade - City of Melbourne Design is a stainless steel bollard with a brushed finish and a 316-grade construction, designed for use in-ground. Designed in Australia for Australian conditions, for indoor or outdoor use.

Offering a safe, secure, accessible and easy-to-use bike parking solution to cyclists will ensure a bike friendly environment. More parking space for bikes - more customers coming in.

Suited to use in indoor or outdoor car parks, like shopping centres or libraries, it can be used in public and private areas for bike parking.

Strong & Durable
