

Danger Barrier Tape 100m x 75mm

BTD711

Description

Enforcer Danger Barrier Tape 100M x 75MM is a versatile non-adhesive tape used to ensure workplace and public safety by restricting access and securing boundaries around hazards. Perfect for use around high-risk areas and worksites. It can be used by construction companies, businesses and emergency teams to ensure public safety by barring access.

Features

- Made from heavy-duty polyethylene, the tape features a highly visible design with bright red and white stripes and a bold DANGER print.
- The tape raises awareness and deters entrance into restricted areas.
