

Bollard Parking Automatic Remote Control - 600mm High

Bparking-R-600

Description

Enforcers Bollard Parking Automatic Remote Control 600mm high is a discrete and effective solution to illegal parking. Small yet strong and durable, this parking bollard ensures nobody uses your car space without permission. The added height and bright safety yellow powder coating ensures your bollard will be seen.

Hot dipped galvanised to withstand Australian weather conditions and powder coated in a bright safety yellow, this small bollard will be seen.

Features

- Two (2) x Remote, Two (2) x Keys, Four (4) x D Batteries.
- Manufactured from Heavy-Duty Steel Pipe, Hot Dipped Galvanised Steel for Rust Prevention.
- Prevents your parking spot from being taken by illegal parkers.
- Lightweight Easy to Install by One Person.
