ORANGE CROWD CONTROL BARRIER

- Powder Coated Orange for high visibility
- Easy to assemble and disassemble
- Can be used indoors and outdoors
- Installation service is available

Enforcer Group's Powder Coated crowd control barriers are an ideal solution for managing and directing large crowds in a variety of settings.

The bright orange colour will increase visibility.

These barriers are quick and easy to assemble, making them a convenient choice for civil projects, construction sites, events and even inside warehouses. The powder coated finish of these barriers ensures they are durable and able to withstand heavy usage, making them an excellent choice for long-term crowd management.

With their ability to be used in a variety of settings, these barriers are a versatile solution for securing any area.
