

Corner Guard - EVA Foam Impact Protection Strips

CG-F-EVA

Description

Enforcer Corner Guard EVA Foam Impact Protection Strips Black Yellow is a quality addition to reduce accidents and keep your carparks, buildings, machinery and vehicles protected.

Made from soft but tough closed cell ethylene vinyl acetate (EVA) foam, it absorbs impacts protecting assets and reducing the severity of accidents. It also protected workers and visitors from hard corners, edges and protrusions that may cause scrapes and bruises. The black and reflective safety yellow colour ensures maximum visibility even when light is low.

Features

- Made from EVA foam.
- Permanent or temporary corner protectors.
- Lightweight can be lifted to reposition or remove.
- Suitable for indoor or outdoor projects.
- Mounted using glue or adhesive.
