HEAVY-DUTY RUBBER CORNER GUARD

- Permanent or temporary corner protectors
- Lightweight can be lifted to reposition or remove
- Suitable for indoor or outdoor projects
- Easy to install by one person

Rubber Corner guards are environmentally friendly, manufactured from new and recycled rubber, easy to install or relocate.

Designed to be strong and durable they don't crack or shrink, it is the ideal solution for the protection of pillars in car parks, entrances and exits to warehouses and factories, or simply for the protection of wall corners and vehicles around buildings and portables where there is a potential risk of vehicle impact.

Suitable for indoor or outdoor projects. For all warehouses, factories, car parks, or driveways.
