

## Heavy Duty Rubber Corner Guards - Black CG-RB

### Description

Enforcer Heavy Duty Rubber Corner Guards - Black provide a tough physical barrier to absorb impacts and scrapes to pillars, wall corners and entrances. Perfect for use around loading docks, factories and warehouses or even at home.

Crafted from new and recycled rubber, our heavy-duty corner guards absorb impacts and protect your pillars and walls. The high-quality rubber construction ensures they won't warp or crack over time and use. They can also reduce the damage caused to vehicles in scrapes and impacts.

### Features

- Permanent or temporary corner protectors.
- Lightweight can be lifted to reposition or remove.
- Suitable for indoor or outdoor projects.
- Easy to install by one person.
