

Heavy Duty Cable & Hose Ramp - 2 Channel

CHR-2C

Description

When strength matters, Enforcer Heavy Duty Cable & Hose Ramp 2 Channel is there. This high-performance ramp can be crossed over by trucks and other heavy vehicles without risk of damage to the hoses and cables stored in the two channels. Perfect for construction sites and industrial worksites to remove the risk of trips as well as damaging hoses and cables from vehicle movement.

The most durable cable and hose ramps, they are constructed from heavy new and recycled rubber and can be used outdoors in any weather. Yellow reflective strips increase visibility especially in lowlight conditions ensuring your ramp is seen.

Features

- Suitable for medium to heavy-duty vehicles.
- 2x large channels for hoses and electric conduits.
- Interlocks to each other to provide the required length.
- Feature yellow high visibility strips.
