

Intercom Bollard Post Card Reader Gooseneck - Yellow

CRB-G-Y

Description

The Enforcer Gooseneck Intercom Bollard Post (Yellow) is designed for optimal ergonomic positioning of card readers, intercoms, and keypads, ensuring easy access from vehicle windows. Its angled gooseneck profile enhances user convenience, while the heavy-duty 100mm x 100mm x 2.75mm galvanised steel construction with a reinforced baseplate ensures stability and impact resistance. Finished in high-visibility yellow powder coating for durability and corrosion protection, it features internal cable management for added security. Ideal for car parks, logistics hubs, and gated communities requiring efficient vehicle access control.

Features

- Ergonomic gooseneck design.
- Heavy-duty steel construction with hot-dip galvanised (HDG) finish.
- High-visible powder-coated safety yellow finish.
- Integrated cable management.
- Industrial-grade durability.
