

Intercom Bollard Post Dual Card Reader Surface Mounted - Yellow

CRB-SM-D-Y

Description

The Enforcer Intercom Bollard Post Dual Card Reader Surface Mounted (Yellow) offers secure, accessible entry control for both pedestrians and vehicles. Its dual-height design supports card readers, intercoms, and cameras, making it ideal for loading docks, car parks, and industrial sites. Built from heavy-duty steel with a high-visibility yellow finish, it provides durability, weather resistance, and easy surface mounting with internal cable management.

Features

- Dual-height device mounting.
- Heavy-duty steel construction with hot-dip galvanised (HDG) finish.
- High-visible powder-coated safety yellow finish.
- Concealed cable management.
- Built to resist vandalism and withstand incidental contact.
