

Intercom Bollard Post Single Card Reader Surface Mounted - Yellow

CRB-SM-S-Y

Description

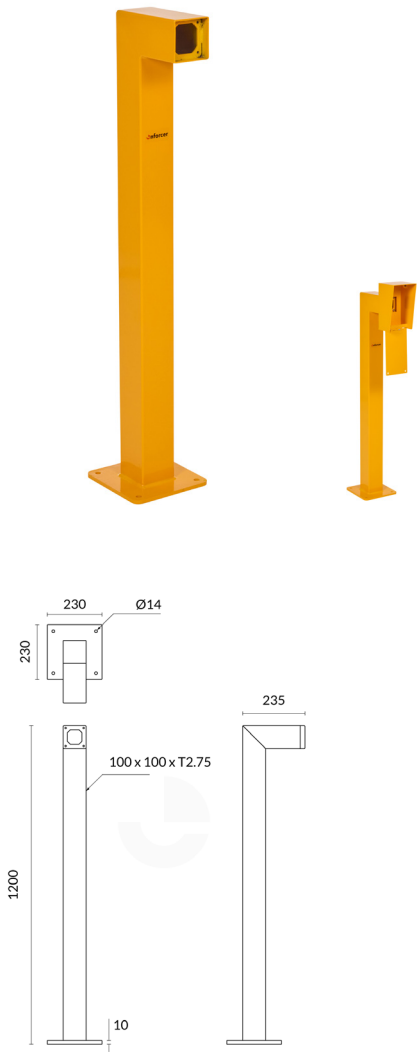

The Enforcer Intercom Bollard Post Single Card Reader Surface Mounted (Yellow) offers secure, high-visibility access control for vehicles and pedestrians. With a single mounting point, it supports intercoms, keypads, card readers, or cameras. Internal cable management keeps wiring protected, making it ideal for car parks, commercial sites, gated communities, and high-traffic areas.

Features

- Heavy-duty steel construction with hot-dip galvanised (HDG) finish.
- High-visible powder-coated safety yellow finish.
- Integrated Cable Management.
- Built to resist vandalism and withstand incidental contact.
