## DROP OVER CABLE PROTECTOR PLASTIC - YELLOW

- Manufactured from durable LDPE
- Continuously provides protection for both cables and wires
- Interlocking modules make it easy to attach one module to another and allows for installation of preferred length
- Can accommodate different types of cables and wires

Enforcer Group's Drop Over Cable Protector Plastic - Yellow is made from durable LDPE (Low-Density Polyethylene) with high-visibility Yellow finish. This cable protector ensures the safety and integrity of your cables while providing longlasting performance.

With a single channel of 100x25mm, it accommodates various cable sizes, making it versatile for different applications.

Customise the length of the protector with ease, thanks to its interlocking modules. No need for fixings or additional hardware; it's a hassle-free setup.

Strong & Durable

Easy Installation
