

Downpipe Protector - 250mm Galvanised

DP-250-G

Description

Enforcer Down Pipe Protector 250mm Galvanised protects your downpipes, cables and other exposed valuable assets against impacts from cars, forklifts and other vehicles.

Our down pipe protectors are made from strong galvanised steel to safeguard exposed piping and provide a safety barrier against vehicle impacts. Perfect for high traffic areas as damage to piping from vehicle impacts can be costly and inconvenient. The galvanised construction makes them suitable for indoor and outdoor use.

Features

- Manufactured from Galvanised steel.
- Withstand from heavy cars, trucks and forklifts.
- Safety red & white finish.
- Light weight and easy to install.
- Suitable for indoor and outdoor use.
