

Downpipe Protector - 250mm Yellow

DP-250-Y

Description

Enforcer Down Pipe Protector 250mm Yellow protects your downpipes, cables and other exposed valuable assets against impacts from cars, forklifts and other vehicles. This product works by drawing attention to the area with the bright safety yellow colour and providing a physical barrier that protects your assets inside from damage by vehicle impacts.

Our down pipe protectors are made from strong galvanised steel to safeguard exposed piping and provide a safety barrier against vehicle impacts. Perfect for high traffic areas as damage to piping from vehicle impacts can be costly and inconvenient. The galvanised construction and powder coating makes them suitable for indoor and outdoor use.

Features

- Manufactured from steel.
- Withstand from heavy cars, trucks and forklifts.
- Safety red & white finish.
- Light weight and easy to install.
- Suitable for indoor and outdoor use.
